EAPC replies and clarifications below become an integral part of this Tender and will force the bidders.

EAPC Replies

	Question	Reply
1.	We are missing documents such as Appendix B. in tender # 21011362. Can you please forward us Appendix B "EAPC Specifications"	Please see Appendix B at EAPC web site.
2.	We are manufacturers not from the mentioned. Can we participate?	The question is not clear. Please see again sec.1.3 – Preconditions.

3.	<p>The tender is under technical review, we can be ready very shortly.</p> <p>From what we understand, the manufacturing of the traps will take place in Israel.</p> <p>It comes to say that there should have some additional subcomponents to be procured such as Pig Detectors, Pressure Safety Valves...</p> <p>Could you please advice if these items are needed as well?</p> <p>Are Pig detectors, Pig signalers part of another tender ? or bought by the pig trap manufacturer in Israel ?</p>	Not required .
4.	<p>For the lower temperature range down to -46c , a very limited elastomers are available.</p> <p>It is important to get input on the Media conveyed in these pipes lines to verify the exact suitable elastomer for this application.</p>	Please read the specifications.
