1.	May we kindly ask you for one more extension of the bid due date until Friday 16/12/2022.	Approved. The deadline for submitting proposals is postponed to Friday 16/12/2022 11:00, Israeli time.
2.	Can you please reconsider if quoting <u>without</u> SOUR Service can be acceptable for you, like with the previous tenders for these 16" and 18" PE pipes? This extra technical requirements makes it much more difficult to source the necessary raw materials	Not approved. The technical requirement will not be changed.
